What Is Our Mission?

It is to educate our world with the truths of biblical Christianity. We believe that the answers to life's most important questions are contained in the Bible. Our goal is to provide these answers to as many people as possible.

What Is The Purpose Of This Website

We have designed this website to allow anyone, anywhere in the world, to have free access to the material of Don Stewart. This includes PDF files of every book. We want everyone to download the books, share them with others, and print them out if desirable.

Please note that there are paperback copies that are available for purchase for many of the books. We eventually want to put all of them into print.

Consequently, while the use of this copyrighted material is distributed freely, the material is not to be copied and resold. It is to be given away freely.

How Can The Material Be Used?

There are many different uses:

- Self-study
- Home Bible Study Small Groups
- Sunday School Classes
- Textbooks for Classroom

What Subjects Do We Cover?

The books are divided into 11 different subjects. They are as follows:

- The Bible
- God
- Jesus Christ
- The Holy Spirit
- The Unseen World (Angels, Satan, Demons)
- The Bible and Science
- The Church
- Humanity, Sin, Salvation
- The Afterlife
- Bible Prophecy
- Christian Living

We will also be adding some commentaries on individual books (such as Daniel, Hebrews, Revelation)

Most of the books are laid out in a Question and Answer format. Each question can be looked at individually (they are all self-contained)

Printing The Files

Each book is on PDF file. This allows it to be viewed, downloaded, and printed out if someone wishes. There is no cost for this. As we mentioned, the material in each book has been copyrighted to protect their integrity.

Audio

Our plan is to record everything on individual audio files. This will allow someone to listen to the answers as well read them and be able to print them out.

With the various books already on the site, the total amount of audio will likely run somewhere between 400-500 hours.

Translating Into Other Languages

We have already been asked about translating the material into other languages. We would love to do this if the resources become available for us.

Share This With Everyone!

Please share these resources with everyone. Our desire is to educate the entire world with the truths of the Christian faith.
